

# DON'T WAIT UNTIL PENTECOST. LIVE BY THE SPIRIT NOW!

The Solemnity of Pentecost may still be three weeks away (23 May 2021), but that is not stopping boys and girls from the Parish of Our Holy Redeemer from living by the Spirit of their Baptism. Two weeks ago on the III Sunday of Easter, ten of those boys and girls found their way to the lower church (the new Saint Joseph Room) and delivered speeches about the gift of human life. Photographs of those children can be found on the preceding page, and the top two speeches of the day can be found on the two-pages following.

It should be noted that, as encouraging for the cause (the gift of human life) the content of their presentations was, even more encouraging is that each one of these boys and girls attended a public school! They are ten branches of the Vine that not only found their way to the new Saint Joseph Room, but they are ten branches of the Vine that are winding their way through public schools where support for the cause (the gift of human life) is not readily offered. That is why they (like all of us), with daily prayers and attendance at Sunday Mass, need to stay connected to the Vine!

When you consider that the majority of counted votes in the recent Presidential election elected a man who promised to codify Roe v. Wade, their cause (the gift of human life) appears to be shared by the majority of people in the United States of America. The Truth however, is that their cause (the gift of human life) is not shared by the majority of counted votes; nor is it shared by the people who write the headlines and report the news. That being said these children are going to need our support so please: pray for them, and if you see them: congratulate them on their witness to the cause (the gift of human life).
