From every perspective, our 2018 – 2019 Stewardship Appeal (“*one small step for a parishioner, one giant leap for a Parish*”) to increase weekly financial contributions has borne fruit. In addition to the Parish’s giant leap of \$2000.00 more a week that the small steps of parishioners (hopefully you) have offered “in the basket”, I am truly grateful for the small steps that many parishioners of Our Holy Redeemer chose to take “out of the basket” as well.

This type of response to our 2019 – 2020 Stewardship Appeal is truly a sign of what Bishop Barres has called: dramatic missionary growth! As I remember the 2019 response of the faithful in the pews of Our Holy Redeemer, I am confident that an even greater response will unfold for us in 2020. And so it is that I continue (by God’s grace and in union with Mary) to live the present with enthusiasm.
