### QUOTE OF THE WEEK

And again Jesus Christ says, 'My yoke, My service, is light and sweet.'

That is how you yourselves must try to act, using all possible gentleness. And above all, be careful not to use force, because God has given free will to everybody and wants to force nobody, but only points out, invites and counsels.

St. Angela Merici, Virgin  
Feast Day: 27 January

THEN MORDECAI SAID: "THIS IS THE WORK OF GOD. I recall the dream I had about these very things, and not a single detail has been left unfulfilled—the tiny spring that grew into a river, and there was light, and sun, and many waters. The river is Esther, whom the king married and made queen. The two dragons are myself and Haman. The nations are those who assmpled to destroy the name of the Jews, but my people is Israel, who cried to God and was saved.

The Lord saved His people and delivered us from all evils. God worked signs and great wonders, such as have not occurred among the nations."

Book of Esther, Chapter F:1-6
