**Film of The Week:  
Padre Pio  
(Between Heaven and Earth)**

Based on the historical records and the personal testimony of his fellow friars, this is the amazing true story of the life of the famous stigmatic monk, St. Padre Pio, a contemporary saint who died in 1968. Blessed with incredible spiritual gifts, including healing, bi-location, reading of souls, and the stigmatic wounds, Padre Pio was a powerful witness for Christ, and a great spiritual guide to countless souls for over fifty years.

In order to keep our children safe while they learn about our Catholic Faith, many volunteers are needed inside and outside of the classroom.

If you would like to help out on Sundays, following 9:30 and 11:30 A.M. Mass,

Please call us at:
