Quote of the Week

As Christ is the Mediator between God and Man, so she is mediatrix between Christ and us. She is the earthly principle of love that leads to the Heavenly Principle of Love. The relation between her and God is something like the relation between the rain and earth. Rain falls from Heaven, but the earth produces. Divinity is from Heaven; the human nature of the Son of God comes from her.

—Bishop Venerable Fulton J. Sheen
From: The World's First Love

Jesus Meets His Mother. Consider, the meeting of the Son and the Mother, which took place on this journey. Jesus and Mary looked at each other, and their looks became as so many arrows to wound those hearts which loved each other so tenderly.
