**ST. ALOYSIUS GONZAGA, RELIGIOUS, 1568-1591**

*...My dear mother, we should at times long for Heaven  
where we may praise the eternal God in the land of the  
living..If charity consists, as Saint Paul says, in weeping with  
those who mourn and rejoicing with those who rejoice,  
then you should derive immense joy, most noble mother,  
from the fact that God in His love and kindness for you is  
bestowing on me the one true joy and the assurance that I shall be free from  
fear of ever losing it.*

*St. Aloysius Gonzaga, from a letter to his mother*
