GO TO HEAVEN ON GOD'S WILL AND OBEDIENCE

... The End of All Human Love is Doing the Will of God... True love is a religious act. If I love you as God wills that I love you, it is the highest expression of love.

The last words of Mary that were spoken in Sacred Scripture were the words of total abandonment to the will of God. "Whatsoever He shall say to you, that do ye." As Dante said: "In His will is our peace." Love has no other destiny than to obey Christ. Our wills are ours only to give away. The human heart is torn between a sense of emptiness and a need of being filled, like the waterpots of Cana. The emptiness comes from the fact that we are human. The power of filling belongs only to Him Who ordered the waterpots filled. Lest any heart should fail in being filled, Mary's last valedictory is: "Whatsoever He shall say to you, that do ye." The heart has a need of emptying and a need of being filled. The power of emptying is human—emptying in the love of others—the power of filling belongs only to God. Hence all perfect love must end on the note: "Not my will, but Thine be done, O Lord."

Obedience does not mean execution of orders that are given by a drill sergeant. It springs, rather, from the love of an order, and love of Him who gave it. The merit of obedience is less in the act than in the love; the submission, the devotion, and the service which obedience implies are not born of servitude, but are rather effects that spring from and are unified by love. Obedience is servility only to those who have not understood the spontaneity of love.

WEDNESDAY, 22 JANUARY, IS THE DAY OF PRAYER FOR THE LEGAL PROTECTION OF THE UNBORN CHILD HERE ARE TWO CHOICES IN HONOR OF OUR COMMITMENT TO CHANGE HEARTS AND LAWS THROUGH KNOWLEDGE AND PRAYER

FILM Selection Of The Week: *Changing Sides*

Can hearts really be changed on the issue of abortion? This film tells the powerful true story of the conversion of a dedicated Planned Parenthood director to a leading Pro-life Activist. Abby Johnson was the director of the abortion facility that was the launching pad of the bold new pro-life effort - 40 Days for Life.

BOOK Selection Of The Week: *Subverted*

Contraception and abortion were not originally part of the 1960s women's movement. How did the women's movement, which fought for equal opportunity for women in education and the workplace, and the sexual revolution, which reduced women to ambitious sex objects, become so united?
