**BOOK OF THE WEEK:
 THE NOONDAY DEVIL
 BY DOMJEAN-CHARLES NAULT**

The noonday devil is the demon of acedia, the vice also known as sloth... acedia is a gloomy combination of weariness, sadness, and a lack of purposefulness. It robs a person of his capacity for joy and leaves him feeling empty or void of meaning. Although its name harkens back to the Middle Ages and seems to have been largely forgotten, acedia is experienced by countless modern people who describe their condition as depression, melancholy, burn-out, or even mid-life crisis.

**Message from the
 Coordinator of Religious Education**

It is my honor to recognize the following students, who despite everything that has happened in the world during these last 9 months, have succeeded with honors and distinction at Kellenberg Memorial High School. Please keep the following students in your prayers that they may continue to receive abundant faith, continued grace from God, and success in their future endeavors in accordance with God's will.

God bless you,

Deneen M. Vukelic
 Coordinator of Religious Education
